Elim Covenant Church Children's Newsletter

July 2017

Dear Parents,

Another July is upon us. Wow has this year flown by. I missed getting out a lot of newsletters and I am so sorry I have not been more diligent in getting them to you. I pray your 4th celebrations were all safe and fun. We are truly blessed to live in a country where we can be free to worship the Lord and serve him openly. As this year continues I pray we can continue to instill in your children a deep love and relationship with our creator. Rooting them in the biblical faith, that will carry them through the tough times we know they will face in the future. If there are any questions or concerns please feel free to talk with us. Also if there are any problems your children are facing in life that we can help with please let us know we would love to be that support for you and them.

Blessings,

Scott & Victoria Fowler

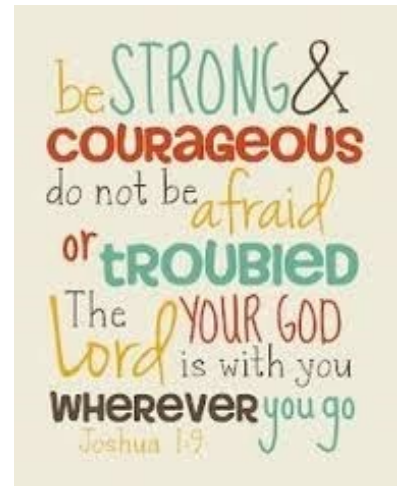

Welcome all new Jr. Sparkers!!! Even though I MISS my older kids who have now graduated to Sparks, I'm looking forward to all the fun our current class is going to be! (Coloring wind chimes, decorating bird houses, painting Bible Verse pages, playing with play doh...)

I thank all the Jr. Sparks (current and previous) for helping make the Mother's and Father's Day crafts! I am excited to start the Bible over (we're back in Genesis) as we dive into summer-which will include outside play time on Wed. evenings if the weather is nice enough.

So lets get ready to see what God has done in the Old Testament, pray for what God is doing now and rejoice in our time we have together having fun!
