Our guest speaker today is Dave Husby, who is director of Covenant World Relief.

Covenant World Relief (CWR) works through local partners around the world to reduce human suffering for the most vulnerable people and support healthy communities.

Covenant World Relief develops partnerships in three ways:

We partner with God in God's transforming mission. We join God in loving, serving, and working together with the poor, the powerless, and the marginalized.

We partner with local Covenant-connected organizations and churches around the world who are experts in their communities. These local partners initiate projects and run programs to transform and bring hope to their communities. CWR partners provide regular reports to CWR for evaluation about the progress of projects.

We partner with Covenant churches and individual donors who support these programs around the world. Your gifts make a difference.

For more than 60 years, CWR has been the Evangelical Covenant Church's response to human suffering and injustice in the world. Join us today in becoming a Partner in Transformation.

Today we kick off our Covenant World Relief soup can campaign. You will find labels and lids as you leave the sanctuary.

The labels can be taped around empty soup cans into which you can drop your change. It is an easy way to remember the needs of the world and to teach children about loving others and stewardship.

We will then start collecting them on Sunday, July 14.
